TIDEWATER PROPERTY MANAGEMENT, INC. CELEBRATES 25TH ANNIVERSARY

Owings Mills, Maryland, August 6, 2014– Tidewater Property Management, Inc. is celebrating its 25th year in operation. The company has grown substantially since its doors opened in 1989, but Stanley and Marc Greenberg have kept client satisfaction at the core of the business, to which they attribute much of their success. Tidewater's commitment to progress and innovation has been key to its rapid growth and recent expansions into the DC Metro area and Anne Arundel County. Today, Tidewater manages more than 270 communities, comprising more than 20,000 individual homes.

Since 1989, Tidewater has offered exceptional customer service and personal care to Maryland property owners, and we continue to work hard to ensure that our clients' expectations are exceeded. Our team of experienced and knowledgeable professionals are here to support you in community, condominium, and homeowners associations, rentals and investment property leasing and management, commercial properties management, property repairs and maintenance, and real estate sales. We have three locations, serving the Baltimore, DC Metro, and Crofton areas.
