***Baltimore-Based Association Management Company Expands into Washington Metro Region.*** Tidewater Property Management, Inc. announces the opening of its second location in Calverton, Maryland, to better service the Washington Metro area.

**Owings Mills, MD** (November 1, 2012) – Tidewater Property Management, Inc. now has two convenient locations to service its clients. While its corporate headquarters remain in Owings Mills, MD in Baltimore County, Tidewater's Washington Metro Office is strategically located right off of I-95 in the central point of Montgomery, Howard, Anne Arundel, Frederick and Prince George's Counties, with quick and easy access to the 495 Capital Beltway, the ICC, and all major connections.

Tidewater has been successfully managing both homeowner and condominium community associations in all of the above-listed counties since 1989. They also manage associations in Baltimore City, Harford, Carroll, Cecil, and Charles Counties and southern Pennsylvania, having a portfolio of about 250 clients. It is A+ rated with the Better Business Bureau and is an Accredited Association Management Company (AAMC) with the Community Associations Institute.
