ASSOCIATION MANAGERS RECEIVE DESIGNATIONS IN 2016

Owings Mills, MD (January 25, 2017) – Tidewater Property Management (<http://www.tidewaterproperty.com>) congratulates four of its Community Association Managers on earning industry designations during the 2016 year – Ms. Harriet Baverman, Ms. Ashley Illi, and Ms. Gail Windisch all received their Community Manager of Community Associations (CMCA®) certification issued by the Community Association Managers International Certification Board; Mr. Scott Colville and Ms. Windisch also received their Association Management Specialist (AMS®) designation issued by the Community Associations Institute.

When asked about how she felt passing the CMCA® exam, Ms. Illi stated, “It feels great to achieve this goal because it recognizes the knowledge and education we have here at Tidewater. We are always being pushed to max out our potential, and Tidewater provides the room for growth that is hard to find anywhere else. The fact that Tidewater pays for us to get these designations shows how committed they are to ensuring our clients receive the most knowledgeable and experienced managers. I look forward to continuing to expand my knowledge and growth, and these designations are allowing me to do so.”

“Our employees are extremely dedicated and hardworking, and we see it as an investment to provide every employee the opportunity to receive continuing education. I personally know that these exams are not easy, so when our employees are continuing to succeed, we truly know that we have the best in the business,” stated Sr. Vice President, Marc Greenberg, CMCA®, AMS®, PCAM®.

Ms. Windisch had a spectacular year in 2016. She received both her CMCA® and AMS® designations, and was nominated as a 2017 Manager of the Year (MOTY) finalist in the annual MOTY contest for the second year in a row. “When you have experience, education, and a team that promotes growth like we have at Tidewater, anything is possible. I am honored and excited to see how far I have come this year, but this would not have been possible without being a part of such a great company.”
