TIDEWATER REALTY GROUP ENGAGES FARHAD RAHMANI, BROKER

Owings Mills, MD (January 17, 2017) – The Tidewater Realty Group (www.tidewaterrealtygroupplc.com) congratulates Farhad Rahmani on passing all requirements, certifications, and exams to become a licensed Maryland Real Estate Broker, officially granting the Tidewater Realty Group with the ability to provide real estate brokerage services. Farhad has worked extremely hard over the years to get to this point, and continues to add to The Tidewater Companies' growth.

In 2000, Farhad became a licensed Real Estate Salesperson in California, both selling real estate and managing rentals. In 2005, he moved to Maryland, traded in his rent checks for mortgage payments, remodeled his home, rented it out, and then moved his family of four to their second home in 2012. While his wife, Gianna, and their two boys enjoyed the transformation of the first one, they are now relishing the other side - from a fixer-upper to a newly-built home, this range of experiences has brought Farhad back to property management and real estate sales. What makes him confident in his ability to help you is not that he *knows* all of the answers; it's that he has the resources to *find* the answers. Whatever it may be, with the support of the Tidewater Realty Group, he would greatly appreciate the opportunity to help you more.

When asked what got him here, Farhad stated, "As a homeowner and a landlord myself, as well as a rental property manager, I would like to use my own first-hand experiences, and those of my clients, to benefit you through the home buying, selling, and renting processes. From weighing the pros and cons of each house, to identifying the must-haves, the wants, and the needs, and to evaluating do-it-yourself projects, repair and remodel work, I would like to say that I've been in your shoes and that I work closely with people going through the same emotions on a day-to-day basis. "Your perspective is my perspective, and I would love to share with you what I've learned from my personal experiences as well as from my professional experiences through Prudential, Long & Foster, and now Tidewater to make sure that you ask the right questions, see the possibilities of each scenario, and help you get the answers to achieve the best outcomes."

President and CEO of The Tidewater Companies, Stanley B. Greenberg, states, "Farhad has been leading our Rental Department since 2011. The next logical step in continuing to help The Tidewater Companies grow was for Farhad to obtain his broker license and make us a full-service real estate company. As soon as we witnessed Farhad's excellent

customer service and passion to fulfill his clients' needs, we knew he would be the perfect person to lead the Tidewater Realty Group. We are truly ecstatic that this day has come for The Tidewater Companies and we are grateful for all of Farhad's hard work and leadership."
